A map showing the Indre river (Rivière Indre) flowing through a green landscape. A red location pin is placed on a yellow road that crosses the river. The river is labeled 'Indre' in two places. A small brown building is visible on the right bank.

Vue du site en 2023

Hand-drawn technical drawing of a dam cross-section, labeled "Schéma". The drawing shows a dam structure with various elevation points and labels. Key labels include "D'd.n3 16", "D'd.n3 17-1", "Parapet ament", "Face amont", "Cree 13 Juin 1910", and "D'd.n3 17". The drawing also shows a cross-section of the dam with a crest width of 10m and a height of 10m. The drawing is oriented with the dam crest at the top and the downstream face at the bottom.
